DETAILED ACTION

I. Rejection of claims 91,94,95,97,99-104 under 35 USC 112, 1st paragraph will not be maintained in light of amendment filed 11/21/06. Claims have been amended to include named surfactants.

II. Rejection of claim 104 under 35 USC 112, 1st paragraph will be maintained in light of amendment filed 11/21/06 for reason on record and reason as follows. Claim 104 makes claim to the invention comprising any herbicide. However, the specification is only enabled for chlorinated carboxylic acid herbicides: 2,4-dichlorophenoxyacetic acid and dicamba acid. Note herbicides differ structurally and their structure determines their chemical and physical nature. Their chemical and physical nature affects their interaction with other components such instant surfactants. For this reason it is unbelievable on its face that all herbicides would possess chemical and physical chemicals that would allow for the production of a microemulsion concentrate once combined with instant surfactants.

III. Applicants' request for interference with respect to USPN 6803345 is acknowledged and will be set-up once all claims are in allowable form.

Allowable Subject Matter

Claims 91,94,95,97,99-104 are allowable. The prior art does not teach or suggest the instant microemulsion consisting 2,4-dichlorophenoxyacetic acid or dicamba acid plus instant surfactants

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 1616

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
